

International Comparative Social Enterprise Models

General ICSEM Meeting
Helsinki, June 30, 2015
AGENDA

From 9:00 Welcoming participants

9:30 A. Review of the ICSEM Project's First Phase (July 2013-July 2015)

Country contributions: Where do we stand today?

1. First batch of published Working Papers
2. Other Working Papers in preparation
3. Dissemination strategy
4. WPs as a major step toward publications
5. Q/A

Other ICSEM achievements in the last 12 months

1. Various ICSEM Meetings
2. Preparation of the survey
3. ICSEM at the 5th EMES International Conference in Helsinki
4. Latin American ICSEM Symposium: paving the way for ICSEM's second phase

B. Overview of the ICSEM Project' Second Phase (July 2015- July 2017)

July 2015 - December, 31, 2015

1. **Completion of country contributions as WPs**
2. **Data collection with the questionnaire**
(Late-comers: survey without a WP but with a SE typology)

January 2016 – July 2017

1. Preparation of "regional" books (+ one on WISEs) to be published in the new *Routledge Studies in Social Enterprise and Social Innovation*
2. Regional meetings in Europe, Asia and Latin America in 2016
3. Books published or manuscripts completed for the next EMES International Conference in Louvain-la-Neuve, Belgium (July 2017)
4. (Last book project: SE models at the global level)

C. Preparation of joint books and special issues

1. Country-based chapters

- Selection of cases to illustrate SE models with "boxes"
- Possible refinement of chapters on the basis of collected data
- Finalization of chapters

2. Transversal chapters

- Thematic chapter(s) exploiting regional (or WISE related) data about key dimensions of SE models (social mission, resources, governance,...)
- Proposals for chapters not directly related to the regional dataset (for instance, around institutionalization, among others)

11:00 Coffee break

11:20 Issues around data collection on SE models

Discussion of all questions already received or raised by participants

12:30 Lunch

14:00 From schools of thought to a tentative typology of SE models

1. Preliminary transversal analysis by the Project's coordinators
2. Discussion
